"MY PARENTS NEVER YELLED OR CURSED AT ME LIKE THAT. I HOPE KARMA COMES BACK TO YOU."

Ito ang naging huling mensahe ng isang babaeng pasahero sa driver ng tricycle na kaniyang sinakyan noong Biyernes ng gabi, Agosto 28, sa bayan ng Kalibo.

Sa isang Facebook post, ibinahagi ng user na si Queenie Elias ang hindi magandang karanasan nito mula sa driver ng tricycle na biyaheng Poblacion at may body number na R4-2544.

Kwento nito, galing siya sa Capitol kasama ang kaniyang mga kaibigan matapos mag-street food, subalit nauna siyang umuwi dahil magpapasundo siya sa kaniyang ama sa likod ng isang mall sa bahagi ng Andagao.

Matapos ang halos limang minutong paghihintay, nakasakay na siya sa naturang tricycle. Habang bumibiyahe, ilang ulit umano niyang sinabi sa driver na sa likod ng mall siya bababa, partikular sa may entrance.

Nang malapit na sila sa shortcut papunta sa destinasyon, itinuro rin umano niya sa driver ang direksyong dapat nilang tahaki 2026-08-30 09:33:27 nagpatuloy lamang ang driver sa pagmamaneho

sa may entrance.

Nang malapit na sila sa shortcut papunta sa destinasyon, itinuro rin umano niya sa driver ang direksyong dapat nilang tahakin. Gayunman, nagpatuloy lamang ang driver sa pagmamaneho at bigla umano itong nagtaas ng boses.

Dahil dito, nakaramdam na siya ng takot at agad siyang nag-video call sa kaniyang ama dahil pakiramdam niya ay maaaring may mangyaring hindi maganda.

Nang makarating sa may St. Jude, sinabi umano ng driver na bumaba na siya. Ngunit dahil malakas ang ulan at madilim ang bahagi ng lugar, sinabi niyang sa entrance na lamang ng mall siya ibaba.

Sa halip na pagbigyan, umano'y sinigawan at ininsulto siya ng driver gamit ang masasakit na salita tulad ng, "Puslit kating," "Pinaumang kating," "Wakating gaayos," at iba pa.

Ayon pa rito, hindi na niya halos naproseso ang mga sinasabi ng driver dahil sa sobrang takot, pagkalito, at panginginig habang nangyayari ang insidente. Patuloy rin siyang naka-video call sa kaniyang ama noong mga oras na iyon.

Nang tuluyan siyang ibinaba malapit sa entrance, sinabi niya sa driver:

"Next time, Kol, ayosa kon mag 2026-08-30 09:34:03 pasahero."

"Next time, Kol, ayosa kon magpasakay kat pasahero."

Pagkababa, naglakad umano siya papunta sa isang carinderia habang malakas ang ulan, umiiyak, nanginginig, at takot dahil sa nangyari.

Ibinahagi rin niya na hindi ito ang unang pagkakataon na nakaranas siya ng ganitong insidente, dahilan upang mas lalo siyang ma-trauma.

Inaalam pa ng K5 News Team kung naireport na sa awtoridad ang insidente para sa posibleng aksyon. Samantala, bukas naman ang aming himpilan sa panig ng naturang driver.

"₱25M kada araw ang gastos sa impeachment, sayang!"

Una, fake premise. Ang ₱25M ay tinatayang regular daily operating cost ng buong Senado, kasama ang personnel, offices at facilities. Hindi iyan "₱25M na gastos kay Sara." Ayon mismo sa Senate President, walang additional expense ang impeachment trial.

Pangalawa, absurd ang logic. Maraming kasong estafa, theft, o corruption na mas mahal imbestigahan, litisin at ikulong kaysa mismong halagang ninakaw. Hindi natin sinasabing, "₱10,000 lang naman ang ninakaw, mas mahal pa ang judge at prosecutor, hayaan na."

Justice is not a negosyo na dapat mas mura ang prosecution kaysa sa krimen.

Fallacy: red herring + non sequitur/appeal to cost. Ang tanong ay kung may pananagutan, hindi kung magkano ang daily operating expense ng institusyong inatasan ng Constitution na litisin ito.

'AVENGERS: DOOMSDAY' reportedly had a 3 hour 30 minute cut before Marvel started trimming it down!

The original cut of 'AVENGERS: DOOMSDAY' reportedly ran for approximately 3 hours and 30 minutes, with the current theatrical version expected to land closer to 2 hours and 50 minutes.

That would mean roughly 40 minutes of footage could be removed during the film's ongoing post production and reshoot process. For comparison, 'AVENGERS: ENDGAME' runs 3 hours and 1 minute, meaning the original version of 'DOOMSDAY' would have been the longest MCU movie ever by a significant margin.

Even after the reported cuts, the film would remain one of Marvel's longest releases, which is especially notable given its enormous ensemble of Avengers, X MEN, Fantastic Four, New Avengers, and characters from multiple universes.

'PRINCESS HOURS' ACTOR LEE YONG-JOO DIES AT 44 FOLLOWING HEART ATTACK

South Korean actor Lee Yong-joo, known for his appearances in Princess Hours and the hit sitcom Blue Tower, has died at the age of 44.

Lee reportedly passed away suddenly on August 29 after suffering a heart attack. His death was announced on social media by a close acquaintance, who shared the news and asked those who knew the actor to remember him and pay their respects.

Lee began his career as a model before transitioning to acting. He made his acting debut with a minor role in the 2004 film Doma Ahn Jung-geun and later appeared in Hello, Francesca, Princess Hours, Rude Miss Young-ae, and Two Women's Room.

He became particularly recognizable for playing Private Lee Yong-joo, an awkward but lovable rookie soldier, in tvN's Blue Tower, a role that earned him widespread affection from viewers.

Korean media also reported that Lee had previously spoken about being diagnosed with hypertrophic cardiomyopathy, a heart condition he said was also found in his family.

Setyembre 21: Isang Taon Matapos ang Pagbaha ng Protesta, Nagpapatuloy ang Pakikibaka

Sa Setyembre 21 ang unang anibersaryo ng malawakang protestang kontra-korapsyon sa Luneta, EDSA, Mendiola, at iba pang bahagi ng bansa. Naging simbolo ito ng galit ng taumbayan laban sa walang-kahihiyang katiwalian sa pamahalaan. Naging angkop din ang pagkilos sa anibersaryo ng Martial Law ni Marcos Sr. na nagdulot ng lansakang paglabag sa karapatang pantao at talamak na pagnanakaw.

Nagmartsa at nagprotesta ang libo-libong mamamayan dala ang panawagang: "Ikulong ang mga kurakot!" at "Lahat ng sangkot, dapat managot!". Marami ang inaresto sa Mendiola at ang ilan ay kumakaharap pa rin sa mga gawa-gawang kaso.

Isang hindi makakalimutang kaganapan ang Setyembre 21, 2025. Ito ang unang beses na nakipagprotesta ang marami nating kababayan—kung saan nagkaisa ang mga manggagawa, magsasaka, maralita, artista, propesyunal, lider-simbahan, at mga akademiko. Hindi ko malilimutan ang rally na ito dahil nadala ako sa ospital

Isang hindi makakalimutang kaganapan ang Setyembre 21, 2025. Ito ang unang beses na nakipagprotesta ang marami nating kababayan—kung saan nagkaisa ang mga manggagawa, magsasaka, maralita, artista, propesyunal, lider-simbahan, at mga akademiko. Hindi ko malilimutan ang rally na ito dahil nadala ako sa ospital nang matamaan ng bato sa mukha sa Mendiola. Sa kabila nito, kinasuhan pa ako ng inciting to sedition kasama ang ilang lider-kabataan—kaso na hanggang ngayon ay wala pang resolusyon sa Department of Justice (DOJ).

Sa kabila ng matinding galit ng publiko, may nagbago ba pagkalipas ng isang taon? Bakit patuloy tayong binabaha at baon sa utang habang ang mga makapangyarihan ay nagpapakasasa?

Sa nakalipas na taon, nabuo ang Independent Commission on Infrastructure Corruption ngunit nabuwag din pagkaraan ng ilang buwan. Bagamat may mga senador, kontratista, at opisyal ng DPWH na kinasuhan, nalantad na ang sistema ng kickback ay umaabot mismo sa Malacañang sa pamamagitan ng bilyon-bilyong budget insertions.

Bukod dito nangyari na:

2026 National Budget: Nanan 2026-08-30 09:42:42

2026 National Budget: Nananatili ang mga pork barrel projects, confidential at intelligence funds, at LGU pork.

Ekonomiya at Utang: Sa gitna ng krisis sa langis, kakarampton ang ayudang ibinigay sa masa at ayaw biitwan ni Marcos ang VAT at excise tax sa langis. Lumobo ang pambansang utang sa mahigit ₱19 trilyon—at naungusan na ni Marcos Jr. sa loob ng apat na taon ang kabuuang inutang ng rehimeng Duterte sa anim na taon.

Pagbebenta ng Likas na Yaman: Sa ngalan ng pekeng "kaunlaran, ibinibenta ang Pilipinas sa mga dayuhan sa ilalim ng Pax Silica initiative ng US. Nakapila na ang mga dayuhang korporasyon na magbubungkal at magmimina sa ating kabundukan at mangangamkam ng lupa at likas yaman ng ating bansa. Kaakibat nito ang mabangis na militarisasyon at paglabag sa karapatang pantao lalo na sa kanayunan.

Ngayong laganap ulit ang pagbaha mula Maynila, Bulacan, Zambales hanggang Davao, at pinalaki pa ang pondo para sa korapsyon sa pambansang badyet (ibinalik na ang flood control projects), lalong nagiging makatwiran ang magprotesta.

Sa bawat pagbaha at pinsala, 2026-08-30 09:42:46

Sa bawat pagbaha at pinsala, sa bawat sigaw ng hustisya, sa bawat pagbuwag sa mga barikada at protesta, nakikita natin nang malinaw na bulok ang umiiral na sistema, at kailangan itong baguhin. Ang mga nagnanakaw sa bayan, ang nagtutulak ng Pax Silica, ang mga nasa likod ng pagmimina sa Nueva Vizcaya, ang mga nagbebenta ng ating bayan sa dayuhan - lahat sila ay bahagi ng isang sistemang naglilingkod lang sa iilan, hindi sa mamamayan.

Sa paglapit ng Setyembre 21, itanong natin sa mga nasa kapangyarihan, ano na ang nangyari sa usapin ng pananagutan? Bakit business as usual pa rin ang mga korap at abusado sa gobyerno?

Hindi lang paggunita, kundi nagpapatuloy na paglaban ang dala ng papalapit na Setyembre 21. Kung nagagalit ka sa paulit-ulit na pagbaha, pagnanakaw, at pagsasawalang-bahala ng mga nasa pwesto, may magagawa ka. Makibaka para sa tunay na pagbabago, para sa pambansang demokrasya, para sa isang Pilipinas na malaya sa mga kurakot at mapagsamantala.

Kita-kits muli.

Basag talaga eardrum mo n'yan 🦻❌

Fun fact: the NDRRMC will blast through your phone's main loudspeaker and headphones at the exact time.

I learned this the hard way nung naka-connect yung RESO intercom ko habang nagda-drive ako sa bagyo, tapos di ko ma-off dahil nakatago yung phone ko. Basag tenga ko eh.

Kung naka-headset ka during the aler, maximum volume blast yan, kahit na mahina ang volume ng pinakikinggan mo.

And I swear, it's painfully loud, lalo kung naka-iPhone ka.

As "inconvenient" that sounds (see that, "sounds"?), please wag n'yong ide-deactivate. Real-time alerts 'to na, for sure, kakailanganin mo during dire straits; calamities and emergencies alike.

Ayun lang, ingat kayo palagi kung nasaan man kayo.

Yours truly, EXE.

WALANG DDS DAW NA SANGKOT SA DROGA?

Umani ng reaksiyon ang pahayag ni DDS vlogger Baita Vargas Apolinario Jr. kaugnay ng mga indibidwal na sinasabing sangkot sa paggamit ng ilegal na droga.

Ayon kay Baita, hindi umano maituturing na “legit DDS” ang mga taong gumagamit ng ilegal na droga.

“Ang tunay na DDS never na mag-droga! Kaya kung may mga nag drugs dyan, hindi yan legit DDS! Impostor yan!”

Ibinahagi ni Baita ang pahayag habang patuloy na pinag-uusapan sa publiko ang usapin ng ilegal na droga at mga personalidad na iniuugnay rito.

HUWAG NIYONG GAWING BIRO AT PAGTAWANAN ANG NANGYAYARING KALAMIDAD SA BANSA😔

Nag-trending online ang ilang post tungkol sa pagbaha sa Luzon kung saan pinalitan ng “Davao City” ang lokasyon ng mga binahang lugar, ilang araw matapos tawagin ni Ombudsman Jesus Crispin Remulla ang Davao City na “epicenter” ng flood control bago ang administrasyong Marcos.

Sa ilang kumakalat na post, makikita ang mga lugar tulad ng Maycauayan, G. Araneta Avenue at North Fairview na nilagyan ng “Davao City” bilang kanilang address. May mga post din na pabirong nagsasabing “Pray for Davao City,” kahit ang tinutukoy na pagbaha ay nasa Luzon.

Lumabas ang mga post matapos ang pahayag ni Remulla, na kalaunan ay nilinaw na ang “epicenter” ay tumutukoy sa malaking pondong inilaan sa flood control sa Davao at hindi pa isang pinal na konklusyon ng katiwalian. Sinabi niyang patuloy pa ang pag-aaral at pangangalap ng ebidensya.

Sinabi ko naman na na hindi sa Katoliko yong kasal pero sa Katoliko pa rin ang paninira.

Hindi siya Katolikong pari. At bawal sa Katoliko ang same-sex marriage.

Saka sa Katoliko, HINDI PULA kundi puti ang suot na chasuble ng pari pag kasal.

Please share and help expose their lies about the Catholic Church.

KC AFTER HOURS EPISODE 102
AUGUST 29, 2026
I have ptosis, so, like, one of my lids, like, droops a bit. It's not so obvious in person, but on TV, it's quite obvious, actually, and I've noticed it myself.
It never happened... Kung nabato ako ng laptop... bakit ako mag-stay? Meron naman akong sigurong respeto sa sarili ko, 'di ba?

In light of recent events, someone has disrespecting the death of King Harald of Norway, and joking the Nepal flashflood using the "haha" emoji.

Events such as disasters are serious matters and this is not a joke or sarcasm. Also a death of a certain person must be respected, not to made hate related to that.

This user consistently made hate speech on a TV station (i.e. the programming schedule) and a famous girl group in the Philippines.

BREAKING: SO *THAT'S* HOW! Gas stations Trump praised for selling suspiciously cheap "patriotic" fuel were supplied by a company accused of stealing nearly $4 MILLION worth of gas without paying!

Donald Trump celebrated earlier this year when Freedom Fuel stations began selling gasoline for $3.47 a gallon, roughly 40 cents below market price.

Why so cheap? Trump had a theory: "They love the U.S.A."

Now a federal lawsuit offers a considerably less patriotic explanation.

Mansfield Oil alleges that KRSM, a fuel company run by brothers Farrukh and Farhan Kazmi that supplied some Freedom Fuel stations, took more than ONE MILLION GALLONS of gasoline worth nearly $4 million and never paid for it.

In fact, Mansfield put the alleged secret to those bargain-basement prices right in its complaint:

"KRSM was able to sell such fuel for such low prices and garner such publicity because it never paid Plaintiff for such fuel."

Aug 30, 2026 12:43:56

"KRSM was able to sell such fuel for such low prices and garner such publicity because it never paid Plaintiff for such fuel."

Trump had enthusiastically promoted Freedom Fuel when its cheap prices started attracting attention.

"Freedom Fuel is VERY smart to be selling gasoline for $3.47 a gallon," Trump wrote, explaining that the company could afford to do it because "they love the U.S.A."

Freedom Fuel itself is not accused of wrongdoing and is not a defendant in the lawsuit. But Mansfield's attorney says some of the disputed fuel went to at least 10 Freedom Fuel locations.

The defendants say the case is merely a dispute over invoices. But there's some history here.

The Kazmis have faced more than a dozen previous lawsuits alleging the same shenanigans. In one case, a supplier accused one brother of taking $667,000 worth of fuel without paying, and a judge ultimately ordered repayment in a default judgment.

The White House says Trump has no business relationship with Freedom Fuel. He simply saw the extraordinarily cheap

Aug 30, 2026 12:44:00

to publicly congratulate the people selling it.

The White House says Trump has no business relationship with Freedom Fuel. He simply saw the extraordinarily cheap gasoline and decided to publicly congratulate the people selling it.

This is such typical Trump.

He didn't know or care how they were doing it. He saw the $3.47 gas as politically useful, and decided the missing ingredient in America's energy markets *must* be patriotism, and announced his conclusion to millions of people. Because, why not?

Now Mansfield has revealed their business model: don't pay for the product you buy.

That'll sure lower your overhead.

MGA APEKTADO NG HABAGAT, NAKATANGGAP NG ARROZ CALDO MULA SA FEEDING PROGRAM NI REP. ABANTE

Naging tuloy-tuloy ang feeding program ni Manila City 6th District Rep. Benny Abante sa kanyang distrito sa kabila ng malakas na pagbuhos ng ulan na dala ng habagat.

Sa isang post, makikita ang pamimigay ng Arroz Caldo ng mambabatas sa Barangay 856, Pandacan, Barangay 901, Punta, at Barangay 905, Punta.

"Tuloy ang feeding program natin sa mga barangay—simpleng mainit na pagkain, pero malaking bagay lalo na ngayong malamig at maulan ang panahon," ayon sa post.

"Dahil umulan man o umaraw, tuloy ang pag-iikot at pag-abot ng serbisyo. Serbisyong ABANTE, walang pinipiling panahon!" dagdag pa nila.

Iceland's EU referendum is on a knife-edge, with the 'Yes' camp at 51.2% and the 'No' at 48.8%. 40% of the votes have already been scrutinised. As expected, rural constituencies are leaning decisively for the 'No' while Reykjavík's two constituencies lean solidly 'Yes'.

The partial results show a neck-to-neck race with the 'Yes' at 51.2% and the 'No' at 48.8%, with over 87,000 votes scrutinised.

In line with the opinion polls, the 'No' is heading toward 60% in more rural regions, whereas initial results from the capital Reykjavík point to around 58% for the 'Yes'.

The first nearly 10,000 votes scrutinised for the Southern Constituency give 'No' a significant advantage with 59.8% of the votes, against 40.2% for 'Yes'. The Southwest Constituency was equally split with 9,900 votes for 'Yes', and 9,900 for 'No'.

Similarly, with a little less than 6,000 votes counted, the initial results from the Northwest Constituency see the Eurosceptic camp at 60.8%, and the 'Yes' camp at 39.2%, whilst the Northeast Constituency with nearly 10,000 votes has the 'No' at 56% and the 'Yes' at 44%.

By contrast, the initial results for Reykjavík's south constituency with over 20,000 votes scrutinised have the 'Yes' at 55.9% and 'No' at 44.1%. The capital's north constituency has nearly 21,000 votes scrutinised, with the 'Yes' at 59.4% and the 'No' at 40.6%.

The partial results are consistent with expectations, as rural areas are expected to be more Eurosceptic due to concerns related to fisheries and farming, whilst the capital Reykjavík is expected to be more pro-EU.

CNVD LAW'S WEBSITE DEFACED

CNVD Law Offices confirmed that their website had been defaced and that there was an attempt to hack it through a "brute-force attack."

The law firm also assured the public and their clients that no client information, no case records, and no personal or financial data were stored on the website.

"We are aware that interest in CNVD Law rose after one of our partners appeared as a prosecutor in the impeachment proceedings. We leave the question of motive to the proper authorities. Our work continues as it always has," their post on Sunday read.

Atty. Mae Divinagracia, one of the House private prosecutors in the impeachment of Vice President Sara Duterte, is a managing partner at CNVD Law.

Deep Web Konek, a Philippine-based cybersecurity advocacy group, posted a screenshot of the defaced website on Saturday. In the photo, the group responsible, “GrimSec Philippines,” claimed they did not mean to sabotage the website but only meant to send a message.

“First and foremost, we stand in solidarity with those who continue to uphold justice and fight for our beloved country. To all prosecutors and those who courageously pursue accountability: **thank you. Your work matters.**,” the message on the law firm's website read. (Facebook/CNVD Law Offices, Deep Web Konek)

WE ARE NOT HERE TO SABOTAGE. WE ARE HERE TO SEND A MESSAGE.
First and foremost, we stand in solidarity with those who continue to uphold justice and fight for our beloved country. To all prosecutors and those who courageously pursue accountability: **thank you. Your work matters.**
To our fellow countrymen: **THIS IS THE TIME TO WAKE UP.**
Enough of corruption. Enough of abuse of power. Enough of leaders who believe they are above the law.
No politician should be untouchable. No position should place anyone beyond accountability. **Investigate. Prosecute. And if found guilty, let the law take its course — regardless of their name, power, or position.**
This includes Vice President **Sara Duterte**.
Our country belongs to its people, not to politicians who abuse the trust given to them.
We are watching. We are paying attention. We will not stay silent. And we will continue to demand accountability.
JUSTICE. ACCOUNTABILITY. NO ONE IS ABOVE THE LAW.

TO OUR CLIENTS AND FRIENDS
We received a report last night that our website, www.cnvdlaw.com, had been defaced. We acted on it right away, and we want to share what we found.
We confirm that there was an attempt to hack our website through a brute-force attack, which is a program that keeps guessing passwords until one works. However, the attempt was not successful.
Our website was NOT altered.
None of our pages were changed, replaced, or taken down. What the intruders did was create a new page at cnvdlaw.com/index.html, an address we never used. Most websites use index.html as their default landing page, so adding one there made it appear that our homepage had been hit. It had not.
As for the concern most people have raised with us:
1. Our website is purely informational. It holds nothing beyond what is publicly displayed on it.
2. There is no client information, no case records, no personal or financial data stored there.
3. It processes no transactions and generates no income.
4. Client files and communications are kept in separate, secured systems. These were never involved and remain untouched.
There was, quite simply, nothing there to take.
Nonetheless, we have moved the website to a more secure server as a precaution.
We are aware that interest in CNVD Law rose after one of our partners appeared as a prosecutor in the impeachment proceedings. We leave the question of motive to the proper authorities. Our work continues as it always has.
One reminder. Anything appearing outside our official pages is not ours, and we ask that it not be attributed to the Firm.
Our thanks to those who alerted us so quickly.

NATIONAL HISTORY MONTH 2026 — DUEÑAS CELEBRATION

THE MUNICIPALITY OF DUEÑAS GATHERS IN COMMEMORATION OF NATIONAL HISTORY MONTH 2026 — AUGUST 1–31, 2026 — UNDER PROCLAMATION NO. 339, s. 2012, WITH THE NATIONAL THEME:

"HINUBOG NG BAYAN, DINUYAN NG ALON" (SHAPED BY THE NATION, CRADLED BY THE WAVES).

This observance honors the memory and legacy of Nazaria Lagos — the Nightingale of Panay, the Light of Healing and Hope — alongside the official Book Launching of the Dueñas Cultural Mapping Project. Conducted in coordination with the National Historical Commission of the Philippines (NHCP), this celebration stands to safeguard, preserve, and perpetuate our cherished history and heritage for all generations.

We extend our deepest appreciation for the presence and valuable involvement of municipal officials and employees of LGU Dueñas, the Department of Education, St. Jerome Academy Inc., the Philippine National Police, the Bureau of Fire Protection, the Special Action Force, our learners and the Barangay Officials of Barangay Jaguimit and Poblacion D, and the descendants of the Lagos Family — whose connection to this historic legacy makes this occasion truly meaningful.

We also give special thanks to our Guest Speaker, Retired Master Teacher II Ms. Nelly S. Baylon, for her inspiring and meaningful message. We are deeply grateful for your presence and support for this historic occasion.

2026 is also designated as the Year of Philippine Diplomatic History and Diaspora — reminding us that our roots, our stories, and our heroes bind us across time and distance.

Let us remember. Let us honor. Let us preserve.

Khamenei warns of US, Israeli plans to sow discord among Muslims worldwide

Iran’s Supreme Leader, Mojtaba Khamenei, says the “enemy” seeks to create divisions within Muslims globally.

Referring to the US and Israel, his statement added, "They strive to turn various racial, cultural, social, economic, political, and geographical differences into pretexts for creating discord among Muslim people in Iran and in any other Islamic country."

“From this perspective, they observe the fragmentation of the Islamic Ummah and the weakening of its forces, waiting for the opportune moment to impose their dominance over them.”

He urged against any action that could divide Muslims.

“Would the Palestinian nation be so defenceless, subjected to the oppression and crimes of the occupiers, if Muslims were united, clenching their fists with strength?” asked Khamenei.

“And would the nations and governments residing around the Persian Gulf have the courage to let corrupt and identity-less scoundrels from thousands of kilometres away covet their lands and assets if they established their unity under the banner of Islam?”

He urged Muslim heads of state to “recognise their real enemy, understand its plans, and confront it."

“The criminal rulers of America and the fake Zionist regime are sworn enemies of this unity and friendship,” said Khamenei.

“The criminal rulers of America and the fake Zionist regime are sworn enemies of this unity and friendship,” said Khamenei.

“They are not only enemies of the Islamic Republic and the Iranian nation, as well as the vast front of Islamic resistance; they also harbour animosity towards the entire Muslim Ummah, including the nations of West Asia and North Africa.”

DPWH breaks ground on P6.15-B flood-mitigation project in Pampanga
By Froilan Magtoto
October 10, 2018, 12:35 pm
Share Share
MINALIN, Pampanga -- The Department of Public Works and Highways (DPWH) will soon start the construction of a PHP6.5-billion flood mitigation project that is seen to alleviate, if not totally solve, the perennial flooding in the low-lying towns of Masantol, Macabebe, Minalin and Sto. Tomas in this province.
Public Works Secretary Mark Villar, together with House of Representatives Speaker Gloria Macapagal-Arroyo, Korean Ambassador to the Philippines Han Dong Man, Governor Lilia Pineda and other DPWH and local officials led here on Tuesday the groundbreaking of the project dubbed as the "Integrated Disaster Risk Reduction and Climate Change Adaptation (IDRR-CCA) Measures in Low-Lying Areas of Pampanga Bay".
Villar, in his speech, said the flood control projects carry out the DPWH's ambition to build disaster-resilient structures in calamity-prone areas.
"Time and again, the men and women of DPWH endeavor to find ways to intensify our mitigation projects against flooding and inundation by implementing a master plan to circumvent massive destruction. Protecting lives and properties remains one of our top priorities," he said.
Arroyo, in her message, noted that the request for the project's fund was made during her presidency, approved under the Aquino administration, and is now being realized under the leadership of President Rodrigo Duterte with his "Build, Build, Build" program.
"The project that we are launching today is perfect proof that if we are all united across administrations and within administrations, we can do so much for the good of the people of Pampanga and the Philippines," she said.

NALUBOG NA CHAPEL

Lubog na sa baha ang Sta. Barbara Chapel sa Bacolor, Pampanga dahil sa pag-ulang dala ng Habagat ngayong Linggo, Aug. 30.

Kinailangan nang ilikas ang mahahalagang gamit sa loob ng simbahan upang maiwasan ang pagkasira.

Ayon kay Bacolor Mayor Eduardo Diman Datu, mas mababa sa ground level ang chapel kaya mabilis itong pasukin at maapektuhan ng baha.

It's a real shame. First of all that there was a crash, then the way it happened, and finally that it was Tadej. He was wearing the red jersey and it's a real pity. I hope he recovers quickly.

Suno sa iya, may maayo nga communication kag may yara sang mutual respect sa tunga sang former nga tag-iya sang farm kag mga pumuluyo.

Sa amo man nga tuig, nagreklamo ang mga pumuluyo sa baho sang manure kag problema sa disposal sang patay nga manok kag piso, nga ginalantaw amo ang ginhalinan sang madamo nga langaw.

Apang, sa baylo nga masolbar ang problema paagi sa maayo nga estoryahanay, ginpasakaan pa sang kaso sang tag-iya ang pila ka pumuluyo kag barangay officials.

Pahayag ni Garin, iya personal nga gin-istorya si Tigbauan Mayor Virgilio “Nene” Teruel nahanungod sa sitwasyon agud nga masolusyonan ang problema.

Sa ihibalo ni Garin, gin-suspend sang Tigbauan Local Government Unit (LGU) ang permit to operate sang poultry farm sang Hunyo 19, 2026, apang gin-lift ini matapos ang pila lang ka adlaw kag gintugutan ang isa ka cycle sang operasyon bangud may ginbakal na nga mga piso ang tag-iya.

Ginapangabay sa karun ni Garin sa LGU nga indi anay paghatagan sang permit to operate ang poultry farm tubtob makompleto ang compliance kag masolbar ang problema.

MISLEADING
A Facebook post by former NTF-ELCAC Lorraine Badoy stated that Jose Maria "Joma" Sison ordered the 1971 Plaza Miranda bombing without the knowledge of the CPP. It also claims that Sison later ordered Elizabeth Principe to execute Danny Cordero and that Principe is now the CPP head.
CLAIM
The post claims Sison secretly ordered the Plaza Miranda bombing, ordered Cordero to carry it out, and later ordered Principe to execute him.
CONCLUSION
There are historical accounts linking Sison and CPP leaders to the Plaza Miranda bombing. However, the post presents disputed details as established facts.

In light of recent events, this user named JC shown no respect to the death of King Harald of Norway, and even joked the Nepal flashflood using the "haha" emoji.

Events such as disasters are serious matters and this is not a joke or sarcasm. Also a death of a certain person must be respected, not to made hate related to that.

This user consistently made hate speech on a TV station (i.e. the programming schedule) and a famous girl group in the Philippines.

Hindi prinsipyo ang “kampihan.” Prinsipyo ang kaya mong punahin pati ang kakampi mo.

Kung laban ka sa political dynasty, hindi nagiging okay ang dynasty dahil sinuportahan nila si Leni, Kiko, o Bam. Hindi rin nagiging mali ang prinsipyo dahil ang tinatamaan ay “atin.” Political reform is not a loyalty rewards program.

Ito ang malaking sakit ng pulitika natin: sanay tayong magtanong ng “kanino ba ’yan?” bago magtanong ng “tama ba ’yan?” Kaya napapalitan lang ang kulay ng kampo, pero nananatili ang sistema.

Kung gusto nating seryosohin ang anti-dynasty advocacy, dapat pare-pareho ang sukatan: Duterte man, Marcos man, Barzaga man, o kaalyado ng kandidatong binoto natin. Kasi ang tunay na prinsipyo, hindi namimili ng apelyido.

Hindi tayo DDS na kapag kakampi, biglang nawawala ang critical thinking.

Kaya sa “pero sinuportahan nila si Leni…”

And so? Ang usapan ay political dynasty, hindi attendance sheet ng campaign rally.

ESTUDYANTE, SINUNTOK ANG CLASSMATE MATAPOS UMANO SIYANG ISUMBONG NA GUMAMIT NG AI

Isang 15-anyos na estudyanteng kinilala bilang “Alyas Ced” ang di umano’y nanuntok sa kaniyang kaklaseng si “Alyas Bry” matapos umano siya nitong isumbong sa kanilan guro na gumagamit siya ng AI o artificial intelligence sa klase nitong hapon ng Agosto 28, 2026.

Batay sa ulat ng Anti-Crime Task Force, uwian na umano ng mga estudyante mula sa isang malaking paaralan sa Puerto Princesa nang respondihan nila ang nangyaring kaguluhan.

Itinurn-over kaagad ang mga sangkot na kabataan sa himpilan ng Police Station 1 kung saan naman tinawagan ang kanilang mga magulang.

Dahil menor-de-edad ang mga ito, tanging blotter lamang at record sa kapulisan ang naitala hinggil sa insidente.

‼️ GYIRONG PORT, BEFORE AND AFTER 💔

Here is a rough before and after with highlighting reference points… Just the scale of this disaster is MASSIVE….

Chinese rescue teams didn't reach the crossing until later this afternoon, two days after the flood. The roads in are destroyed and there's still flood risk in the valley, so getting crews and equipment to the site has been slow.

Nepal is reporting at least 579 dead and around 1,924 missing. That count includes 517 foreign tourists and 933 hydropower workers. Tibet reports 5 dead and more than 550 missing, 260 of them foreign nationals. At least 65 Americans and 38 Australians are among the missing. Australia, Canada and the UK have sent consular teams and aid. More than 93,000 people need assistance.

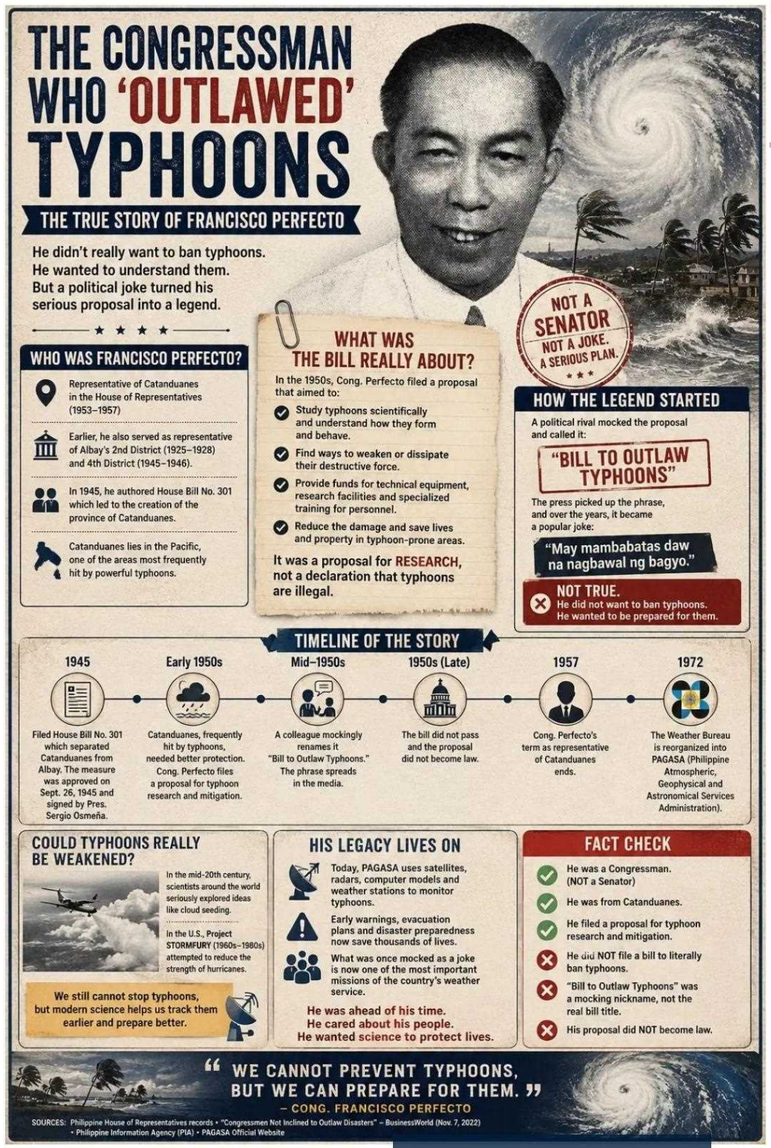
🌪️ May kongresista raw noon na gustong “ipagbawal” ang bagyo sa Pilipinas... See more



THE CONGRESSMAN WHO 'OUTLAWED' TYPHOONS
THE TRUE STORY OF FRANCISCO PERFECTO
He didn't really want to ban typhoons.
He wanted to understand them.
But a political joke turned his serious proposal into a legend.
WHO WAS FRANCISCO PERFECTO?
Representative of Catanduanes in the House of Representatives (1953–1957)
Earlier, he also served as representative of Albay's 2nd District (1925–1928) and 4th District (1945–1946).
In 1945, he authored House Bill No. 301 which led to the creation of the province of Catanduanes.
Catanduanes lies in the Pacific, one of the areas most frequently hit by powerful typhoons.
WHAT WAS THE BILL REALLY ABOUT?
In the 1950s, Cong. Perfecto filed a proposal that aimed to:
Study typhoons scientifically and understand how they form and behave.
Find ways to weaken or dissipate their destructive force.
Provide funds for technical equipment, research facilities and specialized training for personnel.
Reduce the damage and save lives and property in typhoon-prone areas.
It was a proposal for RESEARCH, not a declaration that typhoons are illegal.
NOT A SENATOR
NOT A JOKE. A SERIOUS PLAN.
HOW THE LEGEND STARTED
A political rival mocked the proposal and called it:
"BILL TO OUTLAW TYPHOONS"
The press picked up the phrase, and over the years, it became a popular joke:
"May mambabatas daw na nagbawal ng bagyo."
NOT TRUE.
He did not want to ban typhoons.
He wanted to be prepared for them.
TIMELINE OF THE STORY
1945
Filed House Bill No. 301 which separated Catanduanes from Albay. The measure was approved on Sept. 26, 1945 and signed by Pres. Sergio Osmeña.
Early 1950s
Catanduanes, frequently hit by typhoons, needed better protection. Cong. Perfecto files a proposal for typhoon research and mitigation.
Mid–1950s
A colleague mockingly renames it "Bill to Outlaw Typhoons." The phrase spreads in the media.
1950s (Late)
The bill did not pass and the proposal did not become law.
1957
Cong. Perfecto's term as representative of Catanduanes ends.
1972
The Weather Bureau is reorganized into PAGASA (Philippine Atmospheric, Geophysical and Astronomical Services Administration).
COULD TYPHOONS REALLY BE WEAKENED?
In the mid-20th century, scientists around the world seriously explored ideas like cloud seeding.
In the U.S., Project STORMFURY (1960s–1980s) attempted to reduce the strength of hurricanes.
We still cannot stop typhoons, but modern science helps us track them earlier and prepare better.
HIS LEGACY LIVES ON
Today, PAGASA uses satellites, radars, computer models and weather stations to monitor typhoons.
Early warnings, evacuation plans and disaster preparedness now save thousands of lives.
What was once mocked as a joke is now one of the most important missions of the country's weather service.
He was ahead of his time.
He cared about his people.
He wanted science to protect lives.
FACT CHECK
He was a Congressman. (NOT a Senator)
He was from Catanduanes.
He filed a proposal for typhoon research and mitigation.
He did NOT file a bill to literally ban typhoons.
"Bill to Outlaw Typhoons" was a mocking nickname, not the real bill title.
His proposal did NOT become law.
“WE CANNOT PREVENT TYPHOONS, BUT WE CAN PREPARE FOR THEM.”
– CONG. FRANCISCO PERFECTO

Ilang buwan na tayong nakakaranas ng sunod-sunod na ulan. Baha dito, baha doon. 🌧️💔😔
Maraming tahanan ang nalubog, maraming kabuhayan ang nawala, at marami ring imprastraktura na pinondohan ng bilyon-bilyong piso mula sa pera ng taumbayan ang nasira o hindi nakayanan ang mga ganitong sakuna.
Yes, pera NATIN. Bilang mamamayang Pilipino, nagbabayad tayo ng TAX. Kaya may karapatan tayong magtanong: Saan napupunta ang pera ng bayan? Nasaan ang maayos na paghahanda? Nasaan ang mga proyektong dapat sana ay nagpoprotekta sa atin?
Natural ang malakas na ulan at bagyo sa Pilipinas, pero hindi dapat maging normal ang paulit-ulit na pagdurusa ng mga Pilipino dahil sa kakulangan sa paghahanda, maayos na imprastraktura at responsableng pamamahala.
Minsan pakiramdam ko, ang Diyos at ang kalikasan na mismo ang nagpapaalala sa atin na may mga bagay tayong kailangang makita, tanungin at baguhin.
Do we really deserve this? Papalampasin na lang ba natin ulit?
Mga kababayan, sana huwag nating kalimutan ang mga nangyayari ngayon kapag humupa na ang baha at tumigil na ang ulan. Huwag nating kalimutan ang mga pamilyang inanod ang bahay, ang mga nawalan ng kabuhayan, at ang mga Pilipinong kailangang magsimulang muli mula sa wala.
Nakakalungkot at nakakadurog ng puso. 💔
Sa ganitong panahon, ang gobyerno dapat ang unang kumikilos, ang unang tumutulong, at ang unang nananagot. Public service is a responsibility, not a privilege.
Sana habang may mga kababayan tayong walang matulugan, walang makain at hindi alam kung paano magsisimula ulit, maalala ng mga nasa kapangyarihan kung sino ang tunay nilang pinaglilingkuran.
ANG TAUMBAYAN.
At tayong mga Pilipino, magtanong tayo. Maging mapanuri tayo. Maningil tayo ng maayos na serbisyo at pananagutan.

Dahil pera natin ito. Bayan natin ito. Kinabukasan natin ito. Huwag nating kalimutan. 🇵🇭🙏

DUMEPENSA ANG PALASYO

Tiniyak ng Palasyo na tuloy sa paggawa ng tungkulin si Pres. Bongbong Marcos para masiguro na ligtas ang bansa mula sa pananalasa ng Habagat.

Sinabi ito ng Palasyo matapos umani ng batikos online ang isang video ni PBBM na kumakanta para sa pagdiriwang ng kaarawan ng asawang si First Lady Liza Marcos.

Depensa ni Palace Press Officer Usec. Claire Castro, ang paglalaan ng ilang oras ng Pangulo para sa kanyang pamilya ay hindi nangangahulugang tumitigil ang operasyon ng pamahalaan.

Bakit nagcecelebrate ang mga DDS na nanalo si Rep. Jenny Barzaga? Eh Kakampink si Cong. Jenny! 😅

She and her late husband, Cong. Pidi Barzaga campaigned for **Mayor Leni Robredo** in 2022 and **Kiko-Bam** in 2025!

Alam n'yo bang may "Bundok Mani" pala noon sa Metro Manila—at nasaan na kaya ito ngayon?

Noong 1885, may markang "Mt. Mani" sa mga mapa.
Isang elevated na bahagi sa Sucat na kilala bilang Bundok Mani—
ngayon ay natabunan na ng lungsod at modernong pag-unlad.

ANO ANG BUNDOK MANI?
Ayon sa mga historical references, kabilang sa mga lumang sitio ng Parañaque ang Bundok Mani noong ika-18 siglo at ginamit pa bilang lugar pangalan noong unang bahagi ng 1900s.
NOONG 1901,
ISA SA APAT NA SITIO NG IBAYO (NGAYON SAN MARTIN DE PORRES, PARAÑAQUE) ANG TINAWAG NA MOUNT MANI.

Batay sa pagtutumbas ng lumang mapa at modernong topograpiya, ang Bundok Mani ay malamang nasa paligid ng Sucat Interchange, Parañaque.

The Jedediah Foster House on Foster Hill Road in West Brookfield, Massachusetts in 1899, and the same scene in 2024. The house was built in 1735 by Joseph Dwight, and it was later owned by his daughter Dorothy and son-in-law Jedediah Foster. Foster was a judge, and at one point served as a justice on the state's Supreme Judicial Court. He was also a member of the committee that was responsible for drafting the current state constitution, although he died in 1779 before this work was completed.

The top photo, taken by Paesiello Emerson, shows the house in 1899. The house was still owned by the Foster family at this point, but it was destroyed by a fire just two years later, in November 1901. A year later, the family donated the site to the Quaboag Historical Society, with the stipulation that it be preserved as undeveloped open space. Today, it is still a public park, with foundations and other remnants of the house visible in the trees in the distance of the bottom photo.

Then & Now 1995 - 2018. The once idyllic 'Tots TV' film set was part of a terrestrial TV production for children in the 90's built to 1/3 scale as a replica cottage where three puppet characters lived with their pet donkey. It was a weird show even by today's standards, and it lasted all of five years before being left to the elements in the Warwickshire countryside when the show was cancelled in 1998. If nothing else it's a unique place, and as we visited it on the 20th anniversary of the show ending it made us feel like giants and not just because we've now all grown up, but it was also hard to fit through the door
